

HUNDRED MILES AN HOUR BEATEN BY JULES GOUX

Frenchman Makes 98 1/2 Miles
Average Time in Circuit at
Indianapolis — Does 118
Miles in Back Stretch.

INDIANAPOLIS, Ind., May 27.—Jules Goux, driver of Peugeot car No. 8 in the elimination trials at the speedway Tuesday broke all speedway record in the United States, in every class except the straightaway record. Goux made the trial lap in 1:31.71, which is a speed of 98 1/2 miles an hour. He was timed by stop watches on the back stretch and was driving his Peugeot at 118 miles an hour. Goux won the 500 mile race at the speedway last year.

The lap record was broken twice earlier in the day. Rene Thomas in Delage No. 16 made the lap in 1:35.29 a speed of about 95 1/2 miles an hour. Teddy Tetzlaff, a few minutes before Goux went on the track, lowered Thomas' official record to 1:33.49, a rate of about 97 miles. The former official record was made by Bob Burman in 1912. His time was 1:37.40.

Guyot, driving Delage No. 10, made his elimination trial in 1:43.47. Spencer Wishart, in Mercer No. 19, circled the speedway in 1:39.73, which is more than 90 miles an hour. Christians, in Excelsior No. 9, traveled the lap in 1:38.97, a speed of about 92 miles an hour.

It was announced that Kayfield car No. 46, Hughes, driver, would be withdrawn from the race because of a broken crank shaft.

Beaver Bullet No. 5, Keen driving, in the second trial, completed the lap in 1:43.60.

Mercer No. 22, Pullen driver, on its second trial, was sent around the track in 1:46.40.

Maxwell, No. 25, Carlson driving, made the lap in 1:36.60.

Joe Dawson, in Marmon No. 6, made the lap in 1:35.20.

Barney Oldfield made his second effort today in Stutz No. 3, completing the lap in 1:46.60. He protested the lap, declaring another car was on the track. The officials recognized his protest and the second trial will not count.

Bob Burman, in Burman Special No. 17, while making his trial run threw a tire at the south turn while going at a speed estimated at 95 miles an hour. He succeeded in keeping his car on the track.

Burman later made another trial and completed the lap in 1:39.55.

DelPrima, in a Mercedes No. 18, made his second trial in 1:46.38. He made a lap yesterday in 1:47.40.

REMINISCENCES NIGHT

Fifty Years of Church History are
Recalled at First M. E.

Reminiscences of the past fifty years of First Methodist church history were indulged in last night as the feature of the dedicatory services of the new church in progress this week. Dr. C. A. Brooke, pastor of the church from 1865 to 1867, and H. M. Middleton made the principal talks. Marvin Campbell presided.

It is not necessary to claim more lasting quality and greater cooling results from Vacuum Ice than from other forms of ice, although many users testify to both features, but only to call attention to its cleanliness in manufacture, its healthfulness for use in the home or office, to have you specify Vacuum Ice when you buy the next ice book.—Adv.
